Pizza Hut Restaurant General Manager Thad Spicer Named 2025 Citizen of the Year in Omak, Washington Columbia Basin Pizza Hut is proud to share that Restaurant General Manager Thad Spicer has been named Citizen of the Year for 2025 by the City of Omak, Washington. Thad was honored alongside other community award recipients at a special awards luncheon and was recognized during Omak's annual Christmas Parade. Thad has served as the Omak Pizza Hut Restaurant General Manager for the past three and a half years. Since stepping into the role, he has taken an already strong restaurant and elevated it even further through his belief in people and his deep commitment to the community. From the moment team members and guests walk through the door, Thad works to create a welcoming, family-like atmosphere where everyone feels valued. His leadership philosophy centers on hiring great people, empowering them to care for one another, and treating every guest interaction as if it is the most important moment of the day. That mindset has delivered remarkable results. For the past three years, the Omak Pizza Hut has ranked number one across the franchise group on the company scorecard. Beyond restaurant operations, Thad is deeply involved in community engagement. He regularly hosts family-focused events at the restaurant, including holiday coloring contests for kids, with winning artwork proudly displayed for the community to enjoy. During Christmas, children decorate pizza-shaped ornaments that are used to decorate the restaurant's holiday tree. During the Annual Omak Stampede Rodeo, Thad hosts a group lunch for the event's royalty to celebrate their successful year. At Halloween, he leads a Trunk or Treat event in the Pizza Hut parking lot, bringing together team members, families, and local first responders for a true community celebration. Throughout Thanksgiving and the holiday season, Thad transforms the restaurant into a food bank drop-off location and maintains shelves stocked with nonperishable items for community members in need. He also partners year-round with the local food bank through the Harvest program. During the Christmas season, Santa Claus even makes an appearance at Pizza Hut for photos with families. Thad is also highly involved with youth athletics, supporting concessions at both local high schools as well as recreational softball and baseball leagues. He invites teams to celebrate their seasons at Pizza Hut and regularly connects with visiting high school teams to provide post-game meals. Internally, Thad is equally committed to his team. During recognition week, he hosts a barbecue for team members and their families, ensuring everyone is included. In 2024, when one team member was severely injured, Thad organized a fundraiser that raised more than \$1,700 to support the employee and their family. "There are countless examples of how Thad supports his team and community," said his Area Coach, Shawn Riggs. "I feel privileged and honored to have Thad on my team and in my personal circle. He is an outstanding individual and a phenomenal leader." Thad Spicer's recognition as Citizen of the Year reflects not only his professional excellence, but also his unwavering dedication to serving Omak with heart, humility, and purpose.
